

Easing the Transition to ICD-10 for Physicians and Mid-level Providers

The Foundation for Healthy Communities has scheduled 10 fully funded workshops across the State designed to ease the transition to ICD-10 coding for Physicians and other Providers in practice at New Hampshire Critical Access Hospitals. Registration is required in advance of the workshop date.

CLICK ON DATE/ LOCATION OF YOUR CHOICE TO OPEN THAT WORKSHOP'S REGISTRATION PAGE

Workshops for Primary Care and Other Medical Specialties	Workshops for Surgical and Procedurally Oriented Specialties
<u>Tue. May 12 at Huggins Hospital</u> 9 AM – Noon	<u>Tue. May 12 at Huggins Hospital</u> 1:00 PM – 4:00 PM
<u>Mon. May 18 at Alice Peck Day Hospital</u> 9:00 AM – Noon	<u>Mon. May 18 at Alice Peck Day Hospital</u> 1:00 PM – 4:00 PM
<u>Tue. May 19 at Androscoggin Valley Hospital</u> 9 AM – Noon	<u>Tue. May 19 at Androscoggin Valley Hospital</u> 1:00 PM – 4:00 PM
<u>Wed. May 20 at Littleton Regional Healthcare</u> 9 AM – Noon	<u>Wed. May 20 at Littleton Regional Healthcare</u> 1:00 PM – 4:00 PM
<u>Fri. May 22 at the NHHA and Foundation Offices</u> 125 Airport Road, Concord 9:00 AM – 12 Noon	<u>Fri. May 22 at the NHHA and Foundation Offices</u> 125 Airport Road, Concord 1:00 PM – 4:00 PM
<i>AM sessions recommended for Primary Care Providers, Emergency Department Physicians, Hospitalists, Radiologists and Anesthesiologists</i>	<i>PM sessions recommended for surgical subspecialties, Cardiologists and Pulmonologists</i>

**Register for the class and location of your choice by completing the Eventbrite registration accessed by using the hyperlinked date and location listed above. If you must cancel or change a workshop location after registering, please contact Noreen Cremin at ncremin@healthynh.com
If your first choice is fully enrolled and closed, please try other dates and sites
REGISTER EARLY - SPACE AT EACH SITE IS LIMITED AND MAY FILL TO CAPACITY**

Workshop Goals

- Understand the reasons for the transition from ICD-9 to ICD-10
- Identify the basic design of the ICD-10 coding system
- Discover documentation requirements for coding in the hospital as well as in the provider practice environment

CME

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of Androscoggin Valley Hospital and the Foundation for Healthy Communities. Androscoggin Valley Hospital is accredited by the New Hampshire Medical Society Council on Education (NHMS CE) to provide continuing medical education for physicians. Androscoggin Valley Hospital takes responsibility for the content, quality and scientific integrity of these CME activities.

Androscoggin Valley Hospital designates these live activities for a maximum of 3 AMA PRA Category 1 Credits. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Program Objectives

Objectives: At the end of the program, the attendees will be able to:

1. Identify key characteristics of a classification system.
2. Compare and contrast ICD-9-CM and ICD-10-CM.
3. Examine the uses benefits of ICD-10-CM and ICD-10-PCS.
4. Evaluate documentation practices that impact coded data.
5. Identify best practices for documentation in the health record.

AGENDA: Workshop for Primary Care and Other Medical Specialties

Coffee and Light Breakfast Snacks Available at 8:30

9:00 am to 10:15 am	The ICD-10 Classification System: Myths and Truths Uses and Benefits of Classification Systems The Health Record: Telling the Patient's Story
10:15 am to 10:30 am	Break
10:30 am to Noon	Analysis of Documentation: Good, Bad and Ugly Best Practices for Documentation in the Health Record

AGENDA: Workshop for Surgical and Procedurally Oriented Specialties

Beverages and Light Lunch Available at 12:30

1:00 pm to 2:15 pm	The ICD-10 Classification System: Myths and Truths Uses and Benefits of Classification Systems
2:15 pm to 2:30 pm	Break
2:30 pm to 4:00 pm	Analysis of Documentation: Grand Rounds Best Practices for Surgical Documentation

Faculty

Lynn Kuehn, MS, RHIA, CCS-P, FAHIMA President, Kuehn Consulting, LLC

Lynn Kuehn is a health care consultant and Fellow of the American Health Information Management Association (AHIMA) with more than twenty-five years of experience in the industry. Ms. Kuehn has authored numerous publications including *ICD-10-PCS: An Applied Approach 2014*. She is an AHIMA approved trainer and serves as faculty for the AHIMA Academies for ICD-10-CM/PCS Coding and has trained thousands of people in the concepts of ICD-10 coding. Ms. Kuehn is the recipient of the Educator-Practitioner Collaborative Award from AHIMA in 1993 and the Educator of the Year Award from the Wisconsin Health Information Management Association in 2012.

Gail I. Smith, MA, RHIA, CCS-P President, Gail I. Smith Consulting, LLC

Gail Smith has over 35 years of experience in the fields of coding and health information management (HIM). She served as associate professor and director of the HIM program at the University of Cincinnati and HIM program director at Cincinnati State Technical and Community College. Ms. Smith has authored several coding textbooks including AHIMA's (American Health Information Management Association) *Basic Current Procedural Terminology and HCPCS Coding* and *2012 ICD-10-CM and ICD-10-PCS Workbook*. Ms. Smith is an AHIMA approved ICD-10-CM/PCS Trainer and Academy faculty member, has served on the Board of Directors of the AHIMA, and presided over the Ohio Health Information Management Association.

These programs are being funded by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) under the Small Hospital Improvement grant. Workshop content and conclusions are those of the faculty and should not be construed as the official position or policy of, nor should any endorsements be inferred by HRSA, HHS or the U.S. Government.
