

Date:

Dear Parents,

We are pleased to announce that _____ has teamed up with a program that promotes the healthy eating, active living lifestyle: 5-2-1-0 Healthy NH. Creating healthy habits for your child to live by is very important. The 5-2-1-0 Healthy NH message promotes healthy growth and development, through physical activity and healthy eating.

Fruits and vegetables... more matters! Eat fruits and vegetables at least 5 times a day. Limit 100% fruit juice.

Cut screen time to 2 hours or less a day (includes television, computer, and video games).

Participate in at least one hour of moderate to vigorous physical activity every day.

Restrict soda and sugar-sweetened sports and fruit drinks. Drink water and fat-free/skim or 1% milk instead.

Eating healthy foods and being physically active can be a challenge in today's busy world. By pairing with the 5-2-1-0 Healthy NH message, we will be incorporating the 5-2-1-0 Healthy NH messages into our daily activities. As a bonus, you may also receive parent-gearred information and at-home activities. This will highlight what your child is learning in the program and will provide tips to incorporate the 5-2-1-0 messages in your home.

Visit <http://www.healthynh.com/5-2-1-0-healthy-nh> for more information about 5-2-1-0 Healthy NH.

For more information please contact _____ at _____ -

Sincerely,

This handout is adapted from Let's Go! program materials.
