in Transition*

Granite State
Health Care Coalition

May 11, 2023

8:30am-4:15pm

Lunch Break, Networking, Vendors Concurrent Breakout Sessions

11:15am- 12:15pm

12:15pm-1:15pm

Cyber-Physical Threat Convergence: Impacts to Healthcare and What You Can Do to Prepare

Jason Climer, Protective Security Advisor- New Hampshire, Cybersecurity & Infrastructure Security Agency (CISA), United States Department of Homeland Security (DHS)

Rick Rossi, Cybersecurity Advisor, Cybersecurity & Infrastructure Security Agency (CISA), United States Department of Homeland Security (DHS)

The presentation will define the new threat landscape of cyber and physical threat convergence, provide some real-world examples, and present some basic recommendations the healthcare industry can use to mitigate the threats and better manage risk.

Hampstead Hospital and Residential Treatment Facility Services

Justin Maddox, MS, BCBA, Director of Behavioral Services, Hampstead Hospital and Residential Treatment Facility

This presentation will focus on the mission and services of Hampstead Hospital and Residential Treatment Facility and patient behavior that would meet criteria for admission as well as processes for admission and referrals. The presenter will also discuss suggestions and guidance for how emergency departments across NH can manage young patients with mental and behavioral health concerns.

CST 101 and Its Medical Roles/Capabilities

Major Gary M. Costanzo, New Hampshire Air National Guard, 12th WMD/CST

Attendees will receive a better understanding of the mission of the Civil Support Team and the resources and tools they can bring to help identify and mitigate various chemical, biological, radiological, or nuclear type events or materials. Some specialized equipment will be demonstrated as well as information on how to access this resource.

Mindful Leadership: An Organizational Approach to Pandemic Recovery and Workforce Resilience

Patricia Carty, President & CEO, The Mental Health Center of Greater Manchester

Kristen Kraunelis, Director of Quality Improvement, The Mental Health Center of Greater Manchester

This session will review the rationale for a mindful leadership framework and describe strategies for developing mindful leadership within organizations in order to cultivate a resilient workforce.
