

Concord Hospital Sticker Contest

Concord Hospital initiated the very first Vaccine Sticker Contest in January 2023. They asked for submissions of original artwork celebrating the power of vaccinations from artists ages 4-18 years old.

Information went out to all primary care practices and was posted on the Concord Hospital Facebook page. Emails were also sent to the Boys and Girls Club, Concord YMCA, Concord Public Library, Capital Area Public Health Network, NH Art Educators' Association, Kimball Jenkins.

If you know young artists between the ages of four and 18 invite them to participate in our vaccine sticker contest. The contest, which runs now through March 1, 2023, seeks submissions of original artwork celebrating the power of vaccination. Winning design(s) will be made into stickers and distributed to our primary care patients.
