

Achieving Health Equity for All

Health Equity Summit

May 23, 2024

8:00 AM – 3:15 PM

Church Landing at Mills Falls, Meredith, NH

Purpose:

The Health Equity Summit will provide participants with thought provoking presentations, peer learning opportunities, practical strategies and resources to advance health equity in diverse health care settings.

Objectives:

Participants will be able to:

1. Describe the essential components of a roadmap to operationalize health equity as part of their strategic plan.
2. Gain confidence in building the culture, shared understanding, and commitment for health equity throughout their organization.
3. Review available tools and resources to advance health equity in their organization.
4. Identify strategies and tactics to address social factors of health and health inequities.
5. Bring examples of initiatives aimed at advancing health equity back to their organizations.
