

Med Sled Train the Trainer

In 2019, the GSHCC purchased [Med Sled evacuation devices](#) for hospitals and Long-Term Care facilities throughout the state. The GSHCC team travel throughout the state to provide hands-on training at facilities that have received Med Sled devices.

The training is provided in-person in a two-hour format. There are no prerequisites to attend the training. This training is provided at no cost.

Who Should Attend?: Clinicians, nursing supervisors, security, and anyone who would assist in a vertical evacuation of patients/residents downstairs.

How do I get more information about this training? Please contact GSHCC at GSHCC@healthynh.org to request information on the course.
